The insured claimant shall have the right to have the Leasehold Estate and the Tenant Leasehold Improvements valued either as a whole or separately. In either event this determination of value shall take into account rent no longer required to be paid for the Remainder Lease Term.

Those costs include costs incurred to obtain land use, zoning, building and occupancy permits, architectural and engineering fees, construction management fees, costs of environmental testing and reviews, landscaping costs and fees, costs and interests on loans for the acquisition and construction.

This endorsement is made a part of the commitment or policy and is subject to all the terms and the conditions of the policy and prior endorsements thereto. Except to the extent expressly stated, it neither modifies any of the terms and provisions of the policy and any prior endorsements, nor does it extend the effective date of the policy and any prior endorsements, nor does it increase the face amount thereof.
